THE COOROW QUILL

Our school is built on the land of the Yuat people – the Yuat are part of the Noongar nation. We respectfully acknowledge that the Yuat have been the custodians of this country for many thousands of years and we pay our respects to their Elders past and present.

It is a sad end to second term as we're saying goodbye to some wonderful students. Jack and Ben, along with their family, are moving to Cunderdin. Jack has been an inspiration to us all with his determination and resilience. He makes sure that he is never going to be left behind. Ben, is just in kindy, but we've all come to love him already for his kindness, gentle nature, and great sense of humour. Tash and Tonka have also done so much to support our school, including their very generous last-day-contribution of using their removalist truck to pick up our new playground and transport it from Perth. I bet that is a first for both the removalist and the playground manufacturer! Thank you, Tash and Tonka.

Aaron is moving to Tasmania with his dad, Woody. Aaron has only been with us since the beginning of last year. He didn't speak much English at first, but he speaks amazing English now! He has been a great example to others with his tremendous love for learning, his hard work in the classroom, and his mighty enthusiasm for everything he does at school.

It is always sad to lose friends, but we wish Jack, Ben, Tash, Tonka, Aaron and Woody the best of luck in their new adventures. We'll miss you all and hope you stay in touch!

Our vision

At Coorow, we strive to do our best. We are confident and resilient. We laugh and learn and grow together.

Faction Cross Country 2024

We had our annual Faction Cross Country on the 18th of June.

It is important to highlight that it is not about the winning, we are so proud of all our students who participated simply because they overcame their nerves or worries.

The day was a huge success with a win for Rockets!

Congratulations to the following winners and a big congratulations to Kira and Khloe who both broke the record for the junior girls race! Kira came second, but still beat the old record by 1 second. Khloe, in first place, smashed it by ten seconds. Incredible effort!

EVERY SCHOOL DAY COUNTS TIPS FOR PARENTS BY PARENTS

Don't give in!
Follow through.

Be organised! Get everything ready from the night before. Have their coats and bags at the door, their lunch made and their clothes on the banisters.

Treat it like a military operation in the morning!

Don't give them a choice to stay at home.

Give yourself 15 minutes before the kids get up.

No TV, iPad or phones allowed in the morning.

Keep talking about the importance of school.

Early to bed the night before school, especially after holidays.

Come back to school after doctor/ dentist appointments.

Know how many days your child has missed in school.
