

The mini Quill
Term 1, Week 3

Coorow Primary School
Learning for Life

So it is nearly week 3 already! I'm loving the cooler weather!

Don't forget the P&C Welcome BBQ at the school tomorrow afternoon – Christel told me they are starting at 3.30 and you can arrive any time after that.

Class meetings Class meetings will be on MONDAY 17 Feb due to the Public School Review taking place on Tuesday. We hope you can come along.

Parents have requested that I only do the principal talk once, rather than in each class, so that will be in the Early Childhood Room at 3.15 and you can progress to the other rooms from there.

Public School Review Several members of the school community have been invited to speak with the Public School Review team on Tuesday 18 Feb. If you have not received an invitation, but would really like to be involved, please PHONE the school by 3pm Friday. Don't email because the box is already a bit full.

Artistic Swimming The students loved the artistic swimming sessions that Miss Johns organised last year, and the teacher is coming back! She is bringing a teacher from Lifesaving WA with her. All students P-6 will receive a water safety lesson and an artistic swimming lesson on Thursday and Friday next week. Much as I am enjoying the cooler weather, I hope it warms up for this event!

A note will be coming home with more information and a permission slip that MUST be returned. It will be a paper note because this is a water-based excursion. That means we need a different sort of permission. These sessions are being sponsored by Crunch n Sip, so you can expect to hear a bit more about Crunch n Sip in a week or so.

Emergency Drill We will be holding our first emergency drill of the year on Monday. It will be either Lockdown, Evacuation or Invacuation. I can't tell you which because we try to make the drills as 'realistic' as possible, so students and teachers learn to recognise the different emergency signals. The senior class impressed us last year when they recognised the signals before some of the grown-ups.

Week 3	
Monday 17 Feb	Class meetings Early Childhood Room 3.15
Tuesday 18 Feb	
Wednesday 19 Feb	
Thursday 20 Feb	Artistic swimming and water safety
Friday 21 Feb	Artistic swimming and water safety

Have a great week. Jancy
