Dear Jancy

I am pleased to advise that the Public School Review of Coorow Primary School has been completed. I endorse the report and am satisfied it will provide a basis for sustained school improvement.

The timeframe for the next Public School Review of your school has been determined through your self-assessment submission and validated by the review team as 3 years. The review is to be scheduled for 2028. You will be formally notified in the 2 terms leading up to your school's scheduled review.

I acknowledge the efforts of you and your staff in creating the conditions for successful students. The areas your school and the review team validated for commendation and those for which there are recommendations for ongoing improvement are noted.

It is evident from your report that your leadership has been instrumental in focusing the collective efforts of staff towards improved student outcomes academically and in wellbeing. I am advised you have facilitated an aspirational change agenda, ensuring that the professional learning your team accessed has supported the sustainability of effective whole-school approaches to pedagogy.

Additionally, it has been reported the school has developed a culture that values the important opportunities that play offers in the development of your students and the use of facilities and equipment supports this.

As stated in the initial correspondence, please make the report available to your staff and school community and upload it to your school website and/or Schools Online for a minimum period of 12 months.

I know you, your staff and school community will take the opportunity to use this report to continually improve outcomes for your students.

Yours sincerely
